Safe Environments Abuse Prevention Training

In the Diocese of Norwich, all volunteers who have regular contact with minors, all employees, all clergy, and all religious, are required to complete safe environments training. This training is monitored by the **Office for Safe Environments (OSE)**.

In addition, this training is also available to any parishioner, or parent of a parochial school child, regardless of whether or not they wish to volunteer at their parish or school. **It contains important information about keeping our children and youth safe.** The Diocese of Norwich offers two Praesidium programs. Both cover the same material, just in different formats. You can take the on-line program, *Praesidium*, or attend a one-time DVD presentation, *Called to Protect*.

The in-person *Called to Protect* training classes have been postponed until further notice. *Praesidium online* is available and the preferred training at this time. For more information about in person training availability, contact the **OSE**.

The **OSE** can be contacted to provide adult programs for parents, parishioners and all interested in keeping our youth safe, such as Setting Boundaries.

Weekly Reflections;

April 23rd: Third Sunday of Easter

How often do you take the time to discern what Jesus is calling you to do with your life? Are your prayers always petitions, asking Jesus to do things for you? If so, that's a one-sided relationship. Living our faith means developing a personal relationship with Jesus. Just like any friendship, there is give and take, each side listening to each other and helping each other out. Take time, in silence, to listen to what Jesus is asking of you today.
