### **The Eucharistic Revival: *The Eucharist, did you know?***

Are these doctrines the basis of our faith (e.g. - Doctrine on belief in real presence)? No, the basis of our faith is the mystery itself. The doctrine help us to understand and talk about the mystery, but they are not the mystery. With regard to the real presence of Christ in the Eucharist, as Pope Pius XII wrote, “The faith of the Church is this: That one and identical is the Word of God and the Son of Mary who suffered on the Cross, who is present in the Eucharist, and who rules in heaven.” This is what we believe. Doctrine about the real presence concerns how best to think and talk about this mystery.
